Foreword

As its unifying idea, the 1969 Flare depicts transportation in Conroe High School. In recent years sociologists have revealed great influences which the automobile has had on youth in allowing new freedoms. From this vehicle stems the ability to travel in an independent sphere - in an environment free of parents. Transportation in this way provides a means of escape and also of reaching a destination.

Transportation plays a vital and influential role in CHS. For each person some mode of transportation is involved in attending school. A few students who walk from their homes depend on a pair of shoes; a great number utilize school buses; the remainder are provided with automobile travel. Within the school, people must move to various parts of the building. For a few their mode is supplemented by crutches or a wheelchair, but every person is involved in the motion of school life.

There is, however, more to the concept of transportation than traveling. Consider bearing a burdensome load of books, wearing a costume for a play, even conveying an idea in writing a paper and upholding a determination to succeed. All of these are part of the Flare Staff's idea of transportation, which can be defined simply as an act or means of carrying.

GREETINGS

The Art Club decorated the school for Christmas.

St Luke's II
And she brought forth her firstborn son and wrapped him in swaddling clothes and laid him in a manger because there was no room for them in the inn.
8 And there were in the same country shepherds abiding in the field keeping watch over their flock by night.
9 And lo the angel of the Lord came upon them, and the glory of the Lord shone round about them and they were sore afraid
10 And the angel said unto them Fear not for behold, I bring you good tidings of great joy which shall be to all people
this in the city of David a savior which is Christ the Lord
12 And this shall be a sign unto you. Ye shall find the babe wrapped in swaddling clothes, lying in a manger.
13 And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,
13 Glory to God in the highest, and on earth peace, good will toward men.

Tigers continue winning tradition in 4A

As the 1968 football season opened, many fears were voiced concerning the ability of the Conroe Tigers to withstand 4A competition. However, the athletes disregarded the prophets of doom, and the team seemed quite ready for the season opener with Houston Lee. This was a close one, as the mighty Tigers eased by the Generals 19-14. Martin's game ending tackle on the one yard line preserved Conroe's victory. Next came the Bryan Broncos, who really made Conroe see red - penalty flag red! Penalized over 150 yards, the Tigers nevertheless corralled the Broncos 22-16. The Tigers then faced Bellaire, and this close, hard-fought match saw Conroe go to the air for three of its four touchdowns and walk away with a 28-20 win. With good momentum going, Conroe was ready to meet Beaumont. Though the first half was extremely tight, the Tigers exploded in the second, trouncing the "New Breed" 41-7.

Boasting a 4-0 record, the Tigers prepared for the showdown with rugged St. Thomas. Defense was the name on the game as the two powerful undefeated teams clashed head-on. Butler's 46-yard field goal and Martin's touchdown provided the only scores as the mighty Tigers emerged victors 9-0.

But, alas, all good things must end, and winning streaks are no exception. The high-flying Tigers fell hard to Smiley 26-0, as crucial mistakes greatly crippled the Tiger cause. Reeling from this shock, Conroe entered district play against Memorial. The superb Conroe defense was at it again, performing with near perfection. The Mustangs made costly Tiger fumbles pay off, however, to pull out a 7-0 win.

Twice stung now, the slumping Tigers leaped back into action, skinning the Spring Branch Bears 28-14. Williamson's deadly passing attack accounted for four 1st half touchdowns, and a sharp defense killed a strong comeback bid in the 2nd to put Conroe back on the district trail. Badly needing still another victory, however, a red-hot Tiger team made short work of Weschester. Rain, cold, and mud mattered little to the Tigers, as they downed the Wildcats 21-0.

At last, the stage was set for the all-important duel between the Conroe Tigers and the Spring Woods Tigers for the district 16-4A crown. Both teams were on fairly even terms, and the ensuing battle was quite close, with the lead changing hands several times. Conroe went ahead to stay in the 3rd period, then erased a Spring Woods threat in the closing seconds with a pass interception by Phil Jones to clinch the game 16-15.

Thus the Tigers advanced to the bi-district playoffs, and in doing so became one of the few teams in Texas football history to win a district title in its 1st year in 4A competition.

Smiley ends Conroe playoff hopes

The Conroe Tigers suffered their 4th straight bi-district defeat at the hands of Smiley, who gained 145 yards with the pass while holding the Tiger rushing to 76 yards. Conroe's hopes were roused when the Tigers drew first blood, but Smiley soon tied the score 7-7. Conroe again took the lead, but with seconds left in the half Smiley came back with a touchdown, then pulled ahead with a two point conversion. The Eagles added frosting to the cake with a score in the 3rd period, to win 22-14.

Conroe mighty new force in 4A Basketball

After an outstanding season last year, and a particularly strong showing this year in pre-district play, the Conroe Tiger basketball team entered district competition determined to earn the respect of their new 4 A competitors. This is exactly what the Tigers did in the district opener, as strong outside shooting doomed Spring Woods 57-52. The team was equally impressive against Westchester. Though the outcome was doubtful until the 3rd period, Conroe was able to break the game open for an easy 71-52 victory. With two district wins then under their belts, the Tigers faced their stiffest test of the season against Memorial. The Mustangs, out to revenge last season's upset loss to Conroe, inched ahead of the Tigers in the 2nd period, then held on to win 61-50. And as if to add insult to injury, Spring Branch followed through with a surprise 4th quarter surge to hand Conroe a 65-59 loss. However, the Tigers quickly bounced back into the race with a 65-57 triumph over Spring Woods, closely followed by a return bout with Westchester in which the Tigers prevailed 75-71. Then, just as cautious hopes were once again being raised, all of Conroe's dreams of post-season glory were mercilessly dashed to the ground with an 84-57 loss to Memorial. Yet, even after this, Conroe finished the season with a strong 72-57 victory over Spring Branch. Though the Tigers were unable to advance to the state playoffs as they did in 1968, they nevertheless made an extremely strong showing in district 16-4 A, and demonstrated that they are a powerful new force in 4 A competition.

Gene Kraft

Gene has been honored for his literary abilities by being selected Music Editor and Activities Editor of the school newspaper. He is active in school as a member of the Debate Club, Drama Club, and National Honor Society. Outside the school, Gene has served as president of the 4-H Club and as a Junior Rotarian.

Johnny Cochran

Anyone in school who knows basketball knows Johnny, who has played on the varsity for two years. He is as adept in the classroom as on the court, having maintained an extremely high grade average. His popularity is evidenced by his being elected Best Personality as a sophomore and Junior Class Favorite.

Nancy Pitts

To put it mildly, Nancy gets around. She has belonged at some time to almost every organization in school, has been a majorette for two years, and she was the high salesman in the junior magazine sale. She has been honored as Freshman Class Favorite, F.F.A. Sweetheart, and candidate for Homecoming Queen among others.

The Outstanding Students in Conroe High School.

For the third year, the Flare Staff wishes to honor the outstanding students in Conroe High School. Only those seniors with at least 3.0 grade averages and records of excellence in character, and leadership are considered. The extremely difficult selection of these students is made by a panel of faculty members.

Ivy Lipscomb

Probably the most accomplished actress in school, Ivy played the role of Daisy Mae in "Lil Abner" her junior year and has received recognition in several contests for duet acting this year. She is presently vice-president of the Senior class and the Spanish and Debate clubs.

Anthony Benardino

Anthony has been an All-District performer in football and has advanced to the regional track meet two times. A scholar as well as an athlete, he has maintained a high grade average and has served as president of the National Honor Society.

Outstanding Students

Marvin Williams

A transfer from Booker T. Washington High School, Marvin has established a noteworthy record at Conroe High. He is a member of the National Honor Society and has played football. Beyond his activity at school he is also active in his church. Marvin is admired by all those who are associated with him.

Bill Cochran

As class president for three years Bill has proven himself a leader capable of making the right decision and acting upon it. His interest in livestock has aided Bill in becoming an important member of the F.F.A. where he has acted as secretary two years and vice-president one year.

Barbara Masterson

Barbara hopes to major in physical education in college and her record in high school proves her well qualified. She has lettered three years in basketball and two in volleyball. In addition Barbara has been a sports reporter for the Journalism Club and F.S.A. reporter.

Mike Hulon

Mike is described as "outstanding in leadership" as a member of the F.F.A. He has served as president and secretary of the chapter and has been president of two conducting teams which have won first in district.

Ellen Shotts

Ellen is unquestionably the girl of the year, having been awarded that title by both the Tiger Spirit Corps and the F.H.A. She has held one of the most responsible positions in the school, that of Spirit Corps president and has served admirably well.

Outstanding Students

Beth Nystrom

Beth's field of excellence has been in the choir. As a first soprano she has been elected to the All-State Choir in her junior year and All-Region her senior year. Throughout high school she has actively participated in several clubs including the F.T.A., F.S.A., and Latin Club

Debbie Bond

Although Debbie is best known as vice-president of the student body, her activities and honors do not end there. Formerly she has served as secretary of the Freshman class and vice-president of the Sophomore and Junior classes. As a senior Debbie has been a member of the National Honor Society, the Student Council, the F.S.A., and she has been a twirler for the band.

Bobby Brannon

The golf team owes much of its success to Bobby's leadership. He has lettered in golf for four years. Bobby, who has always exhibited willingness to serve Conroe High School, has served responsibly as Business Editor of the Flare Staff.

In this field she has received several awards including that of Outstanding Chemistry Student from the American Chemical Society. As a member of the band Karen has twice advanced to the All-Region Band and once to All-Area.

Tamara Vannoy

Tamara this year has held the position considered by many the most demanding in school, that of Editor of the Flare. Under her leadership the staff has broken sales records and met deadlines consistently. Academically Tamara carries a 4.0 average, and she has received the D.A.R. Good Citizenship Award as an outstanding citizen of the school and community.

A JOB IS WAITING...

KEEPING America strong and free is a big job. A job requiring constant progress and more electrical power. Most of this will come from investor-owned electric companies, like Gulf States.

It's your job, too. Education holds the key to our success as individuals, as a nation. Learn all you can . . . our future is at stake.

Patrons:

With the publication of the 1969 Flare we bring to a close another successful year in the production of our yearbook. It is certainly an expensive task to undertake.

To the people who have supported this yearbook through the purchase of ads, the Flare Staff is indeed grateful. We are confident that the Conroe High School student body will support the advertised businesses within these pages.

Since we could not publish the yearbook without your generous support, the Flare Staff appreciates all that you have done. We are extremely proud of this annual, and we wish to thank you again for making this yearbook, The 1969 Flare, possible.

Sincerely,

Bobby Brannon

Stand for the Gold
and white
Our colors raise
Our Alma Mater's might
Leads on always.

We pledge now joyfully
As years go by
Honor and loyalty
To Conroe High.

Epilogue

The intention of the 1969 Flare has been to depict the roles of transportation in student life as well as to provide a thorough record of the year. The concept of transportation established by the Flare Staff is based on the act of carrying or conveying. Included in this category are driving to school, wearing costumes, carrying books, and conveying ideas.

Conroe High School is figuratively transported by the students who attend it. In accepting his responsibility to the school, each citizen of C.H.S. "carries" the school through a progress. Every routine conveyance by a member of the body composing the school contributes to his portion of bearing the burden of the school's demands upon him.

The transportation of Conroe High School is achieved through a common attitude of pride. The embodiment of this feeling lies in our alma mater "Stand for the Gold and White." In applying this song to the idea of transporting, "Stand for the Gold and White" becomes the initiative, the force causing the student to carry the school to its successes. Each of the students must add his contribution in serving the demands of the school in order to "stand" for his school. These duties, though often small, comprise the overall transportation resulting from a collective student body effort in the "Stand for the Gold and White."
